

Pool Evacuation Policy

Eg: Fire, smoke, structural damage, chemical leak

On hearing the fire alarm

1. Instructors will instruct and assist their class to leave the pool
2. Instructors will line swimmers up on poolside close to the Fire Exit
3. A register will be taken – provided by the desk staff

If evacuation is required

1. Foil blankets (stored in disabled changing area) will be issued by desk staff
2. Swimmers will be moved to the muster point on the playground or field
3. If necessary the gates will be unlocked to allow access to a more suitable location in the school grounds
4. Register will be taken again
5. Parents/guardians and any children not swimming to muster on the playground or field
6. Desk staff will sweep foyer and changing rooms
7. No-one is to re-enter building

After situation assessed

1. Swimmers may return to pool or
2. Swimmers may be signed out (using register) to parent/guardian care
